**STIPULATION AND ORDER
CONTINUING FILING OF BILL OF
PARTICULARS**

The parties hereby stipulate and agree to continue the deadline for the government's filing of the bill of particulars ordered by this Court. Currently, the bill of particulars is due today, March 12, 2010. The parties hereby stipulate and agree that the government may file the bill of particulars instead on April 9, 2010.

Good cause for the requested continuance is that one of the two active government attorneys on the case was unavailable for most of the last two weeks first with illness, then with the hospitalization of his one year old son for a medical issue that, for the time being, requires significant management and supervision. The other active government attorney on the case has been thrust into a supervisory role while the chief of the Organized Crime Strike Force Section is trying a lengthy capital case in San Jose.

1 Despite these issues, the parties feel confident that the new April 9, 2010 date for filing of
2 the bill of particulars can be met.
